## EVENT AGENDA

### **05:30 pm to 6:30 pm - Registration and Networking:**

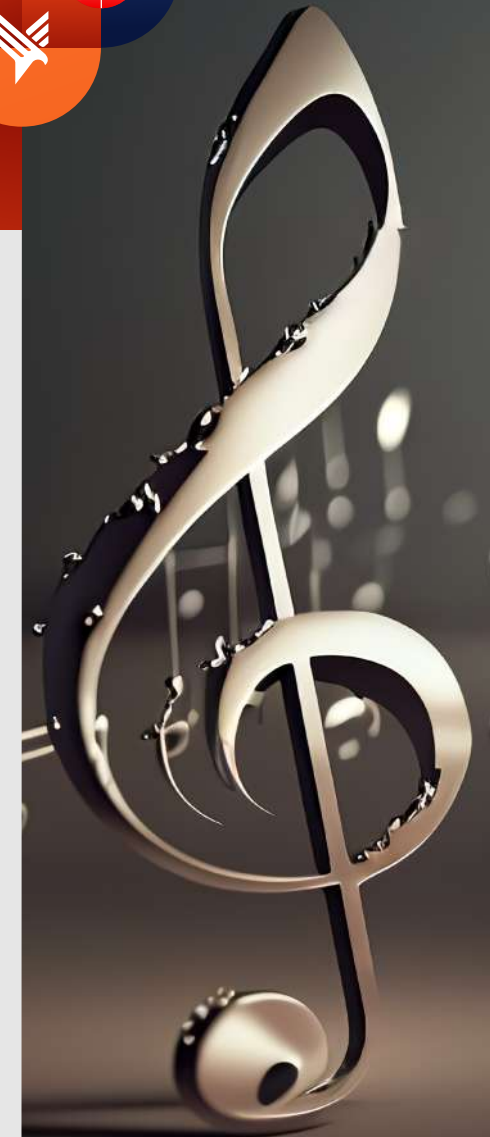

The gala begins with guests arriving at the Guildhall. Here the guests are welcomed and registered, receiving event materials and name tags. This session is designed to encourage interaction among attendees in a comfortable setting with soft, ambient music enhancing the elegant atmosphere.

### **6:00 pm - Great Hall Opens with traditional music: Guests can be Seated: Traditional Music by Guildhall School of Music & Drama**

As the Great Hall opens, guests are welcomed into a grand and elegant setting that sets the stage for a memorable experience. The carefully curated decor and thoughtfully arranged seating sets the stage for an unforgettable experience, where every detail contributes to a sense of sophistication and anticipation for the upcoming event.

The evening opens with a unique cultural experience featuring a traditional music session performed by students from the esteemed Guildhall School of Music & Drama. This segment not only showcases the exceptional talents of Guildhall's musicians but also echoes the SWFI's commitment to celebrating diversity and heritage through global arts. Through a selection of time-honored melodies played on classical instruments, this performance not only captures the historical essence but also breathes new life into classical music compositions, making it a perfect reflection of tradition meeting modernity. The performance is designed to connect the realms of finance and culture, offering attendees a harmonious blend of artistry that complements the visionary pursuits of the Sovereign Wealth Fund Institute.

The event officially commences with an introduction by the Master of Ceremony, who sets the stage for the evening. Among other things, the welcome speech includes an overview of the Sovereign Wealth Fund Institute's journey, highlighting its growth and global impact. The Master of Ceremony also reflects on various marquee events organized under the SWFI Summit, discusses SWFI's role in global investment and its vision for the future, and expresses gratitude to the attendees and partners.

## EVENT AGENDA

### **06:30pm to 06:40 pm - Opening Remarks (including SWFI Journey) by Edward Longhurst-Pierce**

Mr. Longhurst-Pierce, CEO of SWFI Global Gatherings, will provide a brief overview of SWFI, our esteemed event host, highlighting SWFI's pivotal role in shaping global financial landscapes.

As the opening remarks are being made, the guests will be treated to a thoughtfully paced five-course seated dinner. This exquisite dining experience is meticulously designed to align seamlessly with the evening's agenda, providing ample time for guests to fully engage in the proceedings and foster meaningful connections. ## EVENT AGENDA

**08:45 pm to 09:15 pm - Indulge in Desserts and Entertainment.**

**9:15 pm to 09:45 pm - Engage in the Launch of the First Hyper Local LLM:**

The "Hyperlocal LLM" is a cutting-edge technology designed to comprehend and generate text in a wide array of local languages and dialects across the UK and Europe, including Welsh, Scots Gaelic, Catalan, Basque, and various Slavic languages.

This focus on regional linguistic nuances offers users exceptionally personalized and culturally relevant interactions.

By leveraging this technology, users benefit from enhanced engagement and greater satisfaction, as the technology's outputs are not only accurate but deeply resonant with local cultural contexts.

Despite being in the Beta phase, The quality of the responses is particularly noteworthy, as the technology excels in handling colloquialisms and idiomatic expressions specific to each language.

This makes it an invaluable tool for businesses and educational entities looking to connect more effectively with diverse audiences. Overall, the "Hyperlocal LLM" stands out for its ability to deliver high-quality, contextually appropriate content that meets the unique needs of users across different European regions.

## EVENT AGENDA
